Aufgabe 1.)

Zähle die Punkte auf den Würfeln und addiere.

$$\begin{array}{ccccccc} \begin{array}{|c|c|} \hline \bullet & \bullet \\ \hline \bullet & \bullet \\ \hline \end{array} & + & \begin{array}{|c|c|} \hline \bullet & \bullet \\ \hline \bullet & \bullet \\ \hline \bullet & \bullet \\ \hline \end{array} & + & \begin{array}{|c|c|} \hline & \bullet \\ \hline \bullet & \\ \hline & \\ \hline \end{array} & = & \square \\ \\ \square & + & \square & + & \square & = & \square \end{array}$$

Aufgabe 2.)

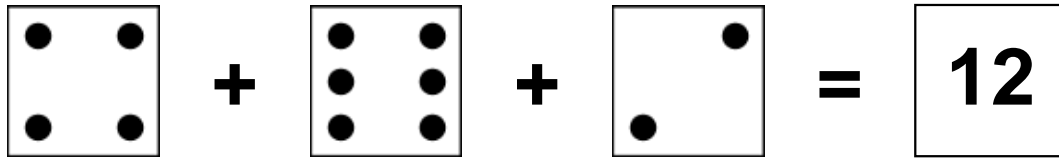

Zähle die Punkte auf den Würfeln und addiere.

$$\begin{array}{ccccccc} \begin{array}{|c|c|} \hline \bullet & \bullet \\ \hline \bullet & \bullet \\ \hline \bullet & \bullet \\ \hline \end{array} & + & \begin{array}{|c|c|} \hline \bullet & \bullet \\ \hline & \bullet \\ \hline \bullet & \bullet \\ \hline \end{array} & + & \begin{array}{|c|c|} \hline \bullet & \bullet \\ \hline & \bullet \\ \hline \bullet & \bullet \\ \hline \end{array} & = & \square \\ \\ \square & + & \square & + & \square & = & \square \end{array}$$

Lösungen

Aufgabe 1.)

A visual equation showing three dice faces. The first face has 4 dots (two in the top row, two in the bottom row). The second face has 6 dots (two in each of the three rows). The third face has 2 dots (one in the top row, one in the bottom row). The faces are separated by plus signs, followed by an equals sign and a box containing the number 12.

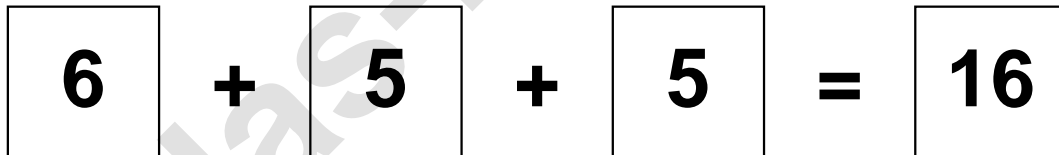

A numerical equation where the numbers 4, 6, and 2 are each inside a square box, separated by plus signs, followed by an equals sign and a larger square box containing the number 12.

Aufgabe 2.)

A visual equation showing three dice faces. The first face has 6 dots (two in each of the three rows). The second face has 5 dots (two in the top row, one in the middle, two in the bottom row). The third face has 5 dots (two in the top row, one in the middle, two in the bottom row). The faces are separated by plus signs, followed by an equals sign and a box containing the number 16.

A numerical equation where the numbers 6, 5, and 5 are each inside a square box, separated by plus signs, followed by an equals sign and a larger square box containing the number 16.
